Open residential courses in the Lake District with Results Driven Group

What makes the results driven experience different from any other residential course?

Firstly we will start with the location...

The northern Lake District around Keswick and Derwent Water is arguably one of the most beautiful areas in the UK, it does not matter which time of year you are there, the panorama is always changing and the views are always stunning...

Secondly we use nature as a metaphor for learning...

We believe that you think and work differently according to the environment you are exposed to and work in, we use all of the elements of nature to enhance the learning experience and take you out on each day of the programme to experience learning outdoors...☺

“All of the activities we use are safe and are tailored to the capabilities of each group”

Earth – the landscape around us, the Mountains, Valleys and different vistas according to the seasons

Air – the different forces that the wind can create and the effect on the landscape that it has is awe inspiring!!

Fire – the strength of the sun and difference it can make to a view or an experience or how you feel allows you to reflect and look at things from different perspectives

Water – the lakes and the rain, the background vistas that you can embrace in the different seasons make this a stunning place to learn

Client testimonial

Fantastic way to learn and improve your skills. Environment unbelievable, enthusiastic trainer and the chance to meet an interesting group of people to exchange views and theories.

Debbie Frisker

Thirdly, the delegate experience is completely different...

Normally on a residential course you would just turn up at 0930 in the morning and then go home at 1600 back to your Hotel, as part of the programme we spend time learning together, undertaking activities together, eating together and most of all having FUN, one delegate recently described this as Homeliness, and that he has never come across this type of experience before on a training course...

Client testimonial

A fast moving inspirational course which utilises a range of teaching methods in beautiful surroundings...

Lisa Aitken

And finally the networking aspect...

This is something you can never recreate on a closed course programme, when you mix up clients who come from the public, private and third sectors, who have had completely different life experiences, different perspectives of how things work and job roles – then anything can happen!!, it is usually pretty special and we have seen long lasting friendships developed over the time that they spend with us in the Lakes...

Your accommodation whilst in Keswick...

We have 3 beautiful Houses in Keswick where you will stay whilst on your residential course in the Lakes, you will have your own bedroom and you will be fully catered for as well over the period of your stay...

If you would like to see the properties, then please visit; www.newlandshousekeswick.co.uk for further information

Hopefully this will give you an insight to why the results driven learning experience is different...
