The ILM Level 5 in Project Management 4 day residential course in Keswick, Cumbria

'How to become an inspirational Project Manager'

This experiential programme is delivered as an open course at our training centre in Keswick, Cumbria or as a 4 day open course in London

The group size is limited to 12 delegates per programme to ensure maximum participation

Qualification overview

The ILM Level 5 in Project Management is aimed at project managers and consists of 4 modules which is delivered as a 4 day experiential learning and development programme; this degree level qualification is tailored to meet the varying needs of learners from across all employment sectors

It focuses on the practicalities of project management from a delivery perspective and it helps delegates develop the skills needed to become an inspirational project leader as well as a project manager, this tools based programme will give you the core skills needed to be able to manage and lead a project successfully

Successful project management and leadership comes through the engagement and empowerment of your project team

The reason we run this course as a four day residential in the Lakes is that we share with you some of the tools which we use to inspire and empower teams who we develop from across all sectors, we not only show you how to use some of our team development tools, you also get to take away these at the end of the programme to use with your project teams post course

What is required of you?

Becoming a more effective project manager and leader involves delegates in a complex process of changing behaviours, based on an understanding of leadership and on the development of a range of personal and interpersonal skills

Simply understanding what leadership involves, or developing insight into the effect of one's own emotional state or values on decision-making, or being good at communicating with others is not sufficient, although each is a necessary component of any [project management leadership role](#)

To enquire about any of these courses please call us on 0845 094 0587 or mail us on info@resultsdrivengroup.co.uk or register online on www.resultsdrivengroup.co.uk

▶ resultsdriven | project management

It is the synthesis of this that enables effective leaders to recognise the effect of their own behaviours on other people and on the organisation, and to manage those behaviours to achieve the goals that they have agreed

Our ILM Level 5 in Project Management programme places great emphasis on developing this ability; if you are to continue to improve your performance beyond the programme itself – hence the [results driven focus](#)

This is an important characteristic of all successful project leaders that they can reflect on their experiences and learn from them – effective leaders are not afraid of making mistakes, only of repeating mistakes

This ability, to learn and develop, is integral to this programme

Client testimonial

“Chris will take you on a whistle stop tour of project management and leadership, hang on to your seats”

Manager – NHS

Programme Agenda

Day 1 – Module One - Managing and leading projects in your organisation

This module explores the practical management and leadership of a project on a day to day basis and is a tools based module which shares with you all of the tips, tools and techniques that we use all of the time when managing and leading projects at Results Driven

Open residential courses in the Lake District with Results Driven Group

What makes the results driven experience different from any other residential course?

Firstly we will start with the location...

The northern Lake District around Keswick and Derwent Water is arguably one of the most beautiful areas in the UK, it does not matter which time of year you are there, the panorama is always changing and the views are always stunning...

Secondly we use nature as a metaphor for learning...

We believe that you think and work differently according to the environment you are exposed to and work in, we use all of the elements of nature to enhance the learning experience and take you out on each day of the programme to experience learning outdoors...☺

“All of the activities we use are safe and are tailored to the capabilities of each group”

Earth – the landscape around us, the Mountains, Valleys and different vistas according to the seasons

Air – the different forces that the wind can create and the effect on the landscape that it has is awe inspiring!!

Fire – the strength of the sun and difference it can make to a view or an experience or how you feel allows you to reflect and look at things from different perspectives

Water – the lakes and the rain, the background vistas that you can embrace in the different seasons make this a stunning place to learn

Client testimonial

Fantastic way to learn and improve your skills. Environment unbelievable, enthusiastic trainer and the chance to meet an interesting group of people to exchange views and theories.

Debbie Frisker

▶ resultsdriven | project management

Thirdly, the delegate experience is completely different...

Normally on a residential course you would just turn up at 0930 in the morning and then go home at 1600 back to your Hotel, as part of the programme we spend time learning together, undertaking activities together, eating together and most of all having FUN, one delegate recently described this as Homeliness, and that he has never come across this type of experience before on a training course...

Client testimonial

A fast moving inspirational course which utilises a range of teaching methods in beautiful surroundings...

Lisa Aitken

And finally the networking aspect...

This is something you can never recreate on a closed course programme, when you mix up clients who come from the public, private and third sectors, who have had completely different life experiences, different perspectives of how things work and job roles – then anything can happen!!, it is usually pretty special and we have seen long lasting friendships developed over the time that they spend with us in the Lakes...

Your accommodation whilst in Keswick...

We have 3 beautiful Houses in Keswick where you will stay whilst on your residential course in the Lakes, you will have your own bedroom and you will be fully catered for as well over the period of your stay...

If you would like to see the properties, then please visit; www.newlandshousekeswick.co.uk for further information

Hopefully this will give you an insight to why the results driven learning experience is different...

Regards

Chris Goodwin – MD – Results Driven Group
